Report on the Financial Report

I have reviewed the accompanying financial report, being a special purpose financial report of Rescue Mission for Children Inc for the financial year ended 31 December 2017 which comprises the detailed statement of financial position as at 31 December 2017, the income and expenditure statement, statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the committee's declaration.

Committee's Responsibility for the Financial Report

The committee is responsible for the preparation and presentation of the financial statements and the information contained therein. The financial report is appropriate to meet the requirements of the Australian Charities and Not-for-profits Commission Act 2012 (ACNC Act), Associations Incorporation Act of Queensland 1981 and the needs of the members.

The committee's responsibility also includes such internal controls as the responsible entities determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Reviewer's Responsibility

My responsibility is to express an opinion on the financial report based upon my review. My review has been conducted to comply with relevant Australian Auditing Standards and ethical requirements relating to audit or review engagements and plan and perform the review to obtain reasonable assurance about whether the financial report is free from material misstatement.

My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly to present a view which is consistent with my understanding of the entity's state of affairs and the results of its operations.

I believe that the review evidence I have obtained is sufficient and appropriate to provide a basis for my review opinion.

Qualification

As is common for organisations of this type, it is not practicable for the Committee to maintain an effective system of internal control over membership fees, contributions, donations and fundraising receipts until their initial entry in the accounting records. Accordingly, my review in relation to these items was limited to amounts recorded.
